ON SCREEN UNDERWRITING at Amherst Cinema

SHOWN ON **FIVE** SCREENS EVERY DAY!

Amherst Cinema has four movie screens plus a prominently displayed 50" plasma screen in our lobby.

Showcase your business on our screens and demonstrate your support for the valley's nonprofit independent cinema! Our underwriters are local independent businesses and organizations of the Pioneer Valley.

Each slide runs for 10 or 20 seconds (depending on the option you purchase) as part of a digital show created especially for our theaters. The digital show runs between movies on a continuous loop until each movie's film trailers begin. We edit the show monthly, allowing for insertion of new slides as well as modification or deletion of existing slides.

WHERE AND WHEN WILL YOUR SLIDE BE SHOWN?

The slide show is screened on each of our four screens. In addition, the show runs on the lobby's plasma screen in constant rotation, intermixed with film trailers.

The digital show runs approximately 6 minutes, on a loop. Underwriting slides are interspersed with Amherst Cinema's messages about upcoming films and theater information.

The number of times the slide show plays in the theaters varies from week to week depending on the length of movies, the number of movies shown each day, and the length of time between movies. On average, 14 films are shown each weekday, and 18 films are shown on a weekend day. Some special event presentations may require that we do not run the slide show.

The plasma screen in the Amherst Cinema lobby plays continuously during box office hours.

WHO WILL SEE YOUR SLIDE?

Over 9500 movie-goers will see your slide on our screens every month! Our average monthly attendance* breaks down as follows...

- 3,400 Adults (non-students between 18-65 years of age)
- 1,000 Students (mostly 5-college undergraduate and graduate students, & some high-school students)
- 1,600 Seniors (over the age of 65)
- 3,500 Members (patrons of any age who have purchased an Amherst Cinema membership)

* Averages based on data collected from January 2017 through December 2017

ARE THERE ANY RESTRICTIONS?

On screen slides are a great way to publicize events, showcase a new product or service, brand your business or build credibility in the community.

The following information may be included in your slide:

- Value-neutral description of the product/service/initiative
- Location, phone number or web address for more details about the funder
- Brand or trade names relevant to your industry

The following language is not permitted:

- Pricing info (such as “5% interest rates available”)
- Inducements to buy, which is promotional by nature (such as “special gift for first fifty callers”)
- Expression of personal views, subjective, comparative or qualitative language (such as “the first name in Fords” or “the best rates”, “award-winning service”)
- Calls to action (“visit,” “call,” “go to,” “join,” etc.)

HOW AND WHEN TO PRODUCE YOUR CREATIVE

Slide materials may be submitted in one of the following image formats (other formats will not be accepted):

- JPEG, GIF, TIFF, Adobe (PDF, Photoshop, InDesign, Illustrator)

Your slide must be formatted to 2048×1080 pixels and designed in accordance with the guidelines specified in Appendix A (Slide Design Template and Guidelines) - please review this document before creating a slide. Amherst Cinema reserves the right to reject slides that do not comply with our specifications.

Slides are screened as visual only (no sound or voiceover).

- 10-second slide option: only one slide may be submitted (no moving images or animation). This is to ensure that the audience has time to read and process your slide.
- 20-second slide option: up to three slides may be submitted. We will insert dissolves between each slide.

The deadline for submitting your slide artwork is the 15th of the month prior to the start of your contracted underwriting period (though you are encouraged to submit sooner to allow time for potential edits). The new slide show updates on the first of each month. **Underwriting must start on the first of the month (we cannot start or end your underwriting period mid-month)** - please keep this in mind if your promotion is time-sensitive.

To establish an Underwriting Contract, contact our Underwriting Coordinator at least thirty (30) days prior to the desired underwriting start-date.

If you do not have access to an experienced graphic designer, please consider hiring one (many local copy shops offer affordable design services that will ensure compliance with our specifications).

Appendix A

Slide Design Template & Guidelines

Here is an example of an appropriate layout for an on screen slide. Note that the dimensions **must be 2048 x 1080 pixels**. Be sure to set up your design to these dimensions before you create your slide.

Tips:

- Don't worry about resolution (dpi / ppi), just be sure pixel dimensions are correct (see above).
- Images are the most effective way to convey your message. Use the least amount of text possible, but be sure to include contact information, relevant dates, and a way to find more information.
- JPEG is the preferred format. PDF, TIFF, PNG or GIF files also accepted.
- Each slide is shown for 10 seconds at a time, unless 20 second option is purchased. Maximum one slide for 10 second contract, 3 slides for 20 second contract. If using multiple slides, keep the layout consistent throughout.
- Use clear, legible fonts in appropriate sizes. Make sure viewers in the back of the theater can read it.

Recommended programs: Photoshop (or comparable image manipulating software), InDesign or Illustrator. Powerpoint is not recommended, because you cannot set the dimensions appropriately.

Deadline to submit artwork, payment & contract is the 15th of the month prior to your underwriting period!

Amherst Cinema reserves the right to reject slides that do not meet our basic design standards.
