Statement from the Amherst Cinema Board of Directors

Amherst, MA

The safety and well-being of our employees and patrons has been, is, and always will be one of our topmost priorities at Amherst Cinema. We have gone through some extremely challenging times together during the past two years to keep the Cinema open to the public and support our employees. We value the work of our employees in making the Cinema successful.

Amherst Cinema respects the voices of our workers and their right to unionize. Today, the Amherst Cinema Board of Directors voted to voluntarily recognize Amherst Cinema Workers United (ACWU), and the Board looks forward to a fair and transparent collective bargaining relationship. As we have more information to share, we will be providing updates and media briefings.

Information requests can be sent to media@amherstcinema.org.
